

TEJERE IBIDUN IGHOYOTA, ESQ

Corporate Legal Counsel | Corporate Governance | Commercial Law | Regulatory Compliance | Product Management | Human Resources | Entrepreneurship & Marketing

Tejere Ibidun Ighoyota is a dedicated legal professional with **five years of experience** in the legal field, with a professional focus on corporate advisory, commercial law, regulatory compliance, contract management, and organizational governance. As a legal professional at **Tejere Anderson Services Ltd**, she brings a multidisciplinary perspective to supporting corporate operations, managing legal risks, and aligning legal considerations with strategic business objectives.

She holds a **Bachelor of Laws (LL.B.)** and has further strengthened her professional capabilities through a **Product Management certification obtained in 2025**, alongside recently completed studies in **Human Resources, Entrepreneurship, and Marketing**. These qualifications complement her legal background and provide valuable perspectives on business strategy, organizational development, product innovation, workforce management, and commercial growth.

Her professional expertise spans **corporate and commercial legal advisory, contract drafting and negotiation, regulatory compliance, corporate governance, legal risk management, and business operations**. Her additional training in product management and business disciplines enables her to approach organizational challenges with an integrated understanding of legal requirements, commercial opportunities, and operational priorities.

With a commitment to **professional integrity, strategic thinking, ethical corporate practices, and sustainable business development**, she combines legal knowledge with contemporary business and management principles to support effective decision-making, organizational efficiency, and long-term corporate success.
